Dear Parents:

Warm Christian greetings, and welcome to Bethel Christian Schools!

Allow me to introduce myself. I'm Dr. Michael Crites, the Senior Pastor of Bethel Christian Church and the Superintendent of Bethel Christian Schools. For many years I served as the Principal of BCS and even taught various classes in our high school. I have served the families of Bethel since 1984.

Bethel is a non-denominational church and school which means that we do not have a denomination over us; in fact, according to the State of California, we are a denomination of our own, and I serve as the President of this religious organization. To our students, parents, and staff, however, I'm just 'Pastor Mike.'

I want you to know our intent regarding your children. We have a Christian School because we want to help parents to "train up a child in the way that he should go, and when he is old, he will not depart from it" (Proverbs 22:6). We believe that our educational processes will be the very best for your children both academically and spiritually.

Included in this Parent/Student Handbook is Bethel's Statement of Faith. Please look carefully at the following Statements so that you can have a clear understanding of what we believe.

Bethel Christian Church is Christian, meaning that we believe that Salvation comes only through accepting Jesus Christ, God's son, as Lord and Savior. We are also Evangelical, meaning that we are eager to proclaim this Gospel of the Lord Jesus Christ to our community, our nation, and around the world, and to encourage everyone to establish a personal relationship with God the Heavenly Father by accepting this Salvation through Christ. This Salvation is also known as the 'born-again experience.'

Besides being Christian and Evangelical, we are what is known as Charismatic or Pentecostal. The term Pentecostal refers to a Biblical experience that took place on the Day of Pentecost some 2,000 years ago as recorded in the Bible in the book of Acts 2:1-4. We identify with this occurrence, simply believing that what God gave to the Christians then, He is still giving to us today, and that anyone who receives this great spiritual experience will do what the Christians did on that day, which is to 'speak with other tongues.'

Charismatic is another term used to describe this same Pentecostal experience. It is taken from the Greek word 'charisma,' meaning 'gifts,' and has a direct relation to the 'gifts of the Holy Spirit.' If you are not acquainted with what is also called the 'baptism of the Holy Spirit,' I encourage you to read the first two chapters of the Book of Acts in the New Testament and the context of Acts 8:17, Acts 10:46, and Acts 19:6, to help you to understand what the Bible tells us the Pentecostal experience is all about.

Now, just because we believe in the experiences of Salvation and Pentecost it does not mean that everyone who attends our school is required to enjoy either of these experiences. We are not going to 'make' anyone become a Christian. We are not going to 'make' anyone speak in tongues. We are going to teach both of these Biblical experiences and give invitations for those who desire to experience them to do so, but we will not force or coerce anyone in his or her own spiritual experience.

If you choose to enroll your children at Bethel, we pledge to do our very best to help you to train your young people to become solid members of our community and successful in their future.

May God bless you and your family with His abundant Grace! Amen.

Sincerely for the Kingdom of God,

Michael G. Crites, D.R.E.
Senior Pastor/President

Mission Statement

Bethel Christian Schools exist to provide a well-rounded, Christian-based education that will equip our students for success wherever God leads them.

Bethel Christian Center

Statement of Faith

The Scriptures

We believe that all Scripture is given by inspiration of God, by which we understand that the books which form the canon of the Old and New Testaments, as originally given, are plerarily inspired and free from all error in the whole and in part. These books constitute the written Word of God, the only infallible rule of faith and practice.

1st Thessalonians 2:13, 2nd Timothy 3:15-17; 2nd Peter 1:21

The Godhead

We believe the one true God has revealed Himself as the eternally self-existent "I Am," the Creator of Heaven and Earth, and the Redeemer of mankind. He has further revealed Himself as embodying the principles of relationship and association as Father, Son, and Holy Ghost, as Triune God.

Deuteronomy 6:4, Isaiah 43:10-11; Matthew 28:19; Luke 3:22

The Fall of Man

We believe that man was created in the image and after the likeness of God, that he fell by voluntary revolt, and as a consequence, lost his spiritual life and became subject to the power of Satan. We also believe that this condition of spiritual death has been transmitted to the entire human race, Christ Jesus alone being exempted; hence that every child of Adam is born into the world with a nature that is inherently corrupt, and which cannot be spiritually changed by mere information apart from divine grace.

Genesis 1:26-27; Genesis 2:17; Genesis 3:6; Romans 5:12-19

The Lord Jesus Christ

We believe that the Lord Jesus Christ is the Son of God, that He was born of a virgin, that He performed miracles, that He lived a sinless life, that He redeemed us by His death and resurrection, in that He descended into Hell, and that He ascended to the right hand of the Father, and that He will personally return in power and glory.

Matthew 1:21-23; Matthew 28:6, Acts 2:22; 1st Corinthians 15:3; Ephesians 4:9-10; 1st Thessalonians 4:16, Hebrews 7:26

The Salvation of Man

We believe that, owing a universal spiritual death through sin, no one can enter the Kingdom of God unless born again. We also believe that our redemption has been accomplished solely by the blood of our Lord Jesus Christ, who died as our substitute; and that the new birth comes only through faith in Christ, and that repentance is a vital part of believing.

Luke 24:47; John 3:3; Romans 10:13-15; Ephesians 2:8; Titus 2:11; Titus 3:5-7

The Baptism in the Holy Spirit

We believe that all believers are entitled to and should expect and earnestly seek the promise of the Father, the baptism in the Holy Spirit, according to the command of our Lord Jesus Christ. This was a normal experience of all in the early church. With it comes the endowment of power for life and service and the bestowment of the gifts and their uses in the work of the ministry. The baptism of believers in the Holy Ghost is witnessed by the initial physical sign of speaking with other tongues as the Spirit of God gives them utterance.

Luke 24:49; John 20:22; Acts 1:4; Acts 1:5; Acts 1:4-8; Acts 2:4; 1st Corinthians 12:1-31

Divine Healing

We believe that deliverance from sickness is provided for in the propitiatory work of Jesus Christ, and that divine healing is the will of God for all believers.

Isaiah 53:4-5; Matthew 8:16; James 5:14-16; 1st Peter 2:24

The Church

We believe the Church, which is the body and bride of Christ, is called to the worship and service of God, the observance of the sacraments or ordinances of water baptism and the Lord's Supper, and the practice of good works. The primary task of the Church in all ages is to teach all nations and to make disciples, bringing the Gospel to bear on every aspect of life and thought.

Matthew 28:19-20; John 4:23; 1st Corinthians 11:26; Ephesians 1:23; Colossians 3:24; James 2:14-21

The Consummation

We believe the consummation of all things includes the visible, personal and glorious return of Jesus Christ, the resurrection of the dead, the translation of those alive in Christ, the judgment of the just and the unjust, and the fulfillment of Christ's Kingdom in the new heavens and the new earth. Satan, with his host and all men outside Christ, will be finally separated from the presence of God, enduring eternal punishment. All who have been redeemed by Christ from the kingdom of darkness to the kingdom of light will be in the presence of God forever, giving Him unending praise and glory.

Matthew 24:27-30; 1st Corinthians 15:50-27; 1st Thessalonians 4:16-17; Revelation 14:10-12; Revelation 20:11-15; Revelation 19:20; Revelation 3:11-13

Gender, Marriage, and Sexuality

We believe that God wonderfully and immutably creates each person as male or female. Those two distinct, complementary genders together reflect the image and nature of God. Rejection of one's biological sex is a rejection of God within that person, and that purposely presenting oneself as the opposite sex is an outward manifestation of that rejection. We believe that the term "marriage" has only one meaning and that is marriage sanctioned by God which joins one man and one woman in a single, exclusive union, as delineated in Scripture. God intended sexual intimacy to only occur between a man and a woman who are married to each other. God has commanded that no intimate sexual activity be engaged in outside of a marriage between a man and a woman.

Genesis 1:26-27; Genesis 2:18-24; Genesis 2:21-25; Leviticus 18:22; Leviticus 20:13; Deuteronomy 22:5; Matthew 19:4-9; Mark 7:20-23; Romans 1:23-2:4; 1st Corinthians 6:9-20; 1st Timothy 1:8-11

Christian Role Model

A Christian Role Model is defined as living an exemplary life at all times, both on campus and off campus. This includes, but not limited to, the refraining from such activities as the use of alcohol, tobacco and illegal drugs; the use of vulgar and profane language; the involvement with pornography, and the participation in occult activities including ouija boards, horoscopes and psychics.

Deuteronomy 13:10-12; Galatians 5:19-20; Colossians 3:17; 1st Thessalonians 2:10; 1st Thessalonians 5:22-23; Titus 2:7-8; James 3:17-18

Notice of Non-Discrimination

In accordance with the requirements set forth in IRB No. 1975-49, dated December 8th, 1975, Bethel Christian Schools therefore announces the following policy:

Bethel Christian Schools admits students of any race, color, national, and ethnic origin to all the rights, privileges, programs, and activities made available to students at the school. It does not discriminate on the basis of race, color, national, and ethnic origin in administration of its educational policies, admissions policies, and athletics and other school-administered programs.

This policy of Non-Discrimination is not grounded in a humanistic philosophy, but rather upon a theological basis as presented in the Bible, which is the Word of God. Bethel Christian Schools' doors are open to people of all races and national origins because the love of God, as manifested in the ministry of redemption through Jesus Christ, is intended for all people who will receive it. To that end, Bethel Christian Schools is pleased to serve families of the city of Riverside and its surrounding area.

Notice of Non-Christian Admittance

Bethel Christian Schools does not require that students, nor their parents/guardians, profess faith in Jesus Christ as Lord and Savior as a requirement for enrollment. However, Christianity is the only religion to be taught, promoted, and practiced on the Bethel Christian Schools campus and at all BCS-sponsored activities. *All students are required to be enrolled in a Bible class and attend chapel in a respectful manner.*

Mandated Reporter

In accordance with school policy and California law, school staff are *Mandated Reporters* obligated under penalty of fine and/or jail time to report the reasonable suspicion of physical abuse, emotional deprivation, physical neglect, inadequate supervision, or sexual abuse and exploitation. Therefore, a parent/guardian who is offended by the behavior or speech of an employee may seek resolution through adhering to the following protocol:

The primary goal of discipline is to train and develop the student to become respectful, obedient, and cooperative towards all members of faculty, staff, administration, and other adults and classmates and to follow the 'Golden Rule' of Matthew 7:12, '*Treat others that way you want to be treated.*'

Attendance to BCS functions is determined by the BCS Administration. Field Trips and Off-Campus Activities

Field trips and off-campus activities are part of the continuing educational process and social development, and are divided into two categories: *Curriculum-Related* and *Social*.

Curriculum-Related trips are considered 'REQUIRED ATTENDANCE.' Students who do not attend these trips due to excused absence will be required by the teacher to complete an additional assignment in order to make up missed 'class activity' points. Students missing field trips due to truancy or disciplinary actions will not be able to make up the missed points.

Social trips, such as off-campus parties, amusement parks, fundraising trips, etc. are considered 'OPTIONAL ATTENDANCE.' Students who do not attend these trips will not be assigned any additional work. Parents who choose to not have their students attend must make alternate child-care arrangements as no supervision is available at the school.

All participants must pay the venue fee and transportation fee (if applicable).

Parents/guardians MUST submit the Field Trip Permission Slip for each field trip and pay the assigned fee by the due date published on the Field Trip Permission Slip.

Students MUST arrive at the school by the time indicated on the Field Trip Permission Slip. Students arriving after the class departs will be considered 'absent' and the parent will have to make alternate childcare arrangements.

No adults may attend the field trips unless they are pre-approved Bethel chaperones and are approved to go by the teacher in charge.

The approved chaperone may drive a private vehicle to the venue but only with his/her child in the car. No student may drive themselves to a field trip. Approved chaperones may ride the bus with the student if space permits.

Only the student in the participating class(es) may attend the field trip. NO siblings or other children may attend, not even if driven in a chaperone's private vehicle.

No unauthorized parents/adults who attend the field trip venue on their own may interact with BCS students. *Approved pick-up parents/guardians may pick up their student from the field trip venue by signing him/her out with the teacher/staff member in charge.*

Students MUST be picked up within 20 minutes of the published return time or late return due to unforeseen delay if the return time is outside of school hours. Parents/guardians of students who are not picked up within 20 minutes may be charged a **fee for each minute late** or they will be checked into Extended Day Care and charged a Daycare fee. All fees will be charged to the student's FACTS account.

Non-participating BCS students with parents attending the field trip as authorized chaperones may go to Extended Day Care without charge if the departure/arrival times require it.

Disciplinary Guidelines

Bethel Christian Schools generally follows an "Assertive Disciplinary Plan". The consequences will follow a "progressive discipline system" which includes verbal and written warnings before taking more serious measures. However, the BCS Administration may, at its discretion, utilize whatever form of discipline is deemed appropriate considering the circumstances or severity of any infractions.

Repeated offenses may incur more severe consequences. Although some infractions may appear to be minor, repeated offenses demonstrate a lack of cooperation that cannot be tolerated.

For violations of classroom, campus, or extracurricular activity rules not specifically addressed in this section, a faculty or staff member may refer the student to the Dean of Students.

The following Disciplinary Actions will apply to any on-campus or off-campus school activities.

Any unexcused absence or tardy during a Saturday School will result in additional Saturday Schools WITH FEES billed to the student's account until the Saturday School is appropriately served.
- d. PROBATIONARY CONTRACT - Is assigned for an amount of time as determined by the Dean of Students (Quarter, Semester, or School Year). While on probation, a student *may* be restricted from attending *all* school-related functions outside of class times including field trips, on-campus performances, sports/dance and practices, clubs, on- and off-campus social activities including dances/proms, etc., and/or temporary loss of on-campus driving privileges (if applicable).
- e. PARTIAL DAY SUSPENSION – The student is sent to the School Office and the parents are called to come immediately and take the student from school. The student will not be able to make-up missed work for credit. A parent/guardian conference with the teacher and/or BCS Administration will be scheduled to discuss further disciplinary action if necessary.

Bethel Christian Schools

Absence and Truancy Policy

Regular attendance in all classes is the greatest contributing factor to success in school. Promptness and readiness are character traits that students must learn in order to become productive and responsible adults. Therefore, Bethel students are to attend all classes regularly, on time and prepared. Absences are to be avoided as much as possible as students will miss out on important class discussion and instruction.

Excused (full-day or half-day) Absence – the parents/guardians have provided permission via the BCS app, signed note, or phone call for the student to be absent for such reasons as illness, emergency, bereavement, family events, or necessary appointments (medical, dental, legal, etc.).

Unexcused (full-day or half-day) Absence – the parents/guardians have given permission for the student to be absent for any other reason not listed in the ***Excused Absence*** definition.

Truancy (full-day or half-day) – a student is absent from school or class without parent permission and school notification. Additionally, a student will be considered truant to class if they are more than ten (10) minutes late to class without permission from the school or parent.

1. **Admission after absence** - the parent/guardian must contact the School Office via BCS App, signed note, or phone call before the start of school on the day returning to school to explain the

reason for the absence(s). If the School Office is not contacted by a parent/guardian to explain the absence(s), the parents will be notified by phone call and given 72 hours to furnish an acceptable written excuse or the absence(s) will result in a truancy.

2. **Missed work** - Students will be granted extra time as outlined by the teacher to make up assignments missed during **excused absences** for full credit.
 - A. If a parent calls the School Office on the morning of the absence, it is possible that the missed work can be collected and sent home with a sibling or picked up in the office by the parent at the end of the day.
 - A. Students are given five 'free' absences per class (excused or unexcused) per semester. After those five absences occur, ANY absence not accompanied by a doctor's note or bereavement period will have a negative impact on the students' grade.
 - B. *Students in grades 6-12 are responsible to ASK each teacher for any missed work upon returning to school. It is not the teacher's responsibility to inform the student of missing work.*
 - C. *It is up to the teacher's discretion to create and enforce a policy regarding work missed due to an **unexcused absence**.*
3. **Leave Of Absence** – If a student experiences a serious illness, injury, or other hardship that requires absence from school for more than two weeks, a 'home study' may be requested by the parents/guardians if applicable. Requests should be made in writing via email to BCS administration and include medical notes if applicable.
4. **Excessive Absences (excused)** – on the 5th excused absence per quarter or the 10th excused absence per semester, the Dean of Students will discuss with the parents the option of 'home study.' If further absences occur without a 'home study' program being set up, the BCS Administration may report the failure of the parents/guardians to ensure school attendance to the proper authorities as required under the California Education Code (48260).

Bethel Christian Schools

Tardy Policy

Regular attendance in all classes is the greatest contributing factor to success in school. Promptness and readiness are character traits that students must learn in order to become productive and responsible adults. Therefore, Bethel students are to attend all classes regularly, on time and prepared. Arriving late to class, even by only a few minutes, costs the student valuable learning time and disrupts the learning of other students. Although the responsibility for being tardy to school is usually that of the parent or adult transporter rather than the student, the consequences will still fall upon the student.

Excused Tardies - *tardies due to illness, medical/dental/legal appointments, or tardies accompanied by a note from a BCS staff member excusing the tardy.*

*In the case of extenuating circumstances that prevent on-time attendance like traffic accidents, construction, etc., parents may call the School Office prior to arriving to campus and request an **excused tardy**. BCS Administration will review the request based on the number of previous tardies, class assignments, or teacher input. If the request is accepted, the tardy will be marked as **excused**.*

Unexcused Tardies - *ALL tardies that do not align with the above classification.*

Unexcused Tardy Policy

1. Students are permitted a total of ten (10) unexcused tardies per semester comprehensively for all classes.
2. Students are considered 'tardy' to individual classes if they are not in the designated area (assigned by teacher) by the class start time.
3. Tardies will result in a negative impact on the student's grades.
4. *ALL work missed as a result of an unexcused tardy will not be able to be made up for credit.*
5. A student will be marked *absent* if they are more than **10 minutes late to class**. In this case, if the student does not supply a note from the parent or School Office it will be reported as a *truancy*.
6. Reports on student tardiness are generated weekly.
 - A. **On the sixth unexcused tardy**, the Dean of Students will notify the parent/guardian of excessive tardies via email. At this time, future consequences may be discussed.
 - B. **On the eighth unexcused tardy**, the Dean of Students will send an additional notification to the parent/guardian of excessive tardies via email. At this time, a Saturday School may be tentatively scheduled.
 - C. **On the tenth unexcused tardy**, a Saturday School (\$45 fee) will be assigned.
 - If the student is tardy or absent to the assigned Saturday School, the \$45 fee will still be charged to their account. Every missed Saturday School following the original assigned date will also result in a \$45 charge to the student's account.
 - Every unexcused tardy in the semester following the Saturday School may result in additional Saturday Schools with fees.
 - D. *Excessive tardiness will result in a conference with the Dean of Students and/or Principal. If not remedied, chronic unexcused tardies may result in:*
 - Detention (during or outside of school hours)
 - Saturday School (\$45 fee)
 - Notification to state authorities
 - Permanent or temporary removal from extracurricular activities
 - Suspension (in-house or at-home)
 - Expulsion

Bethel Christian Schools

Electronic Device Policy

Bethel Christian Schools reserves the right to examine any information or images contained on any cell phone, camera, or other electronic device brought to the school campus or to school-sponsored activities in the event of confiscation or reasonable suspicion of misuse. Any electronic device owned by Bethel Christian Schools can be confiscated and searched without parent permission. Electronic devices may be kept overnight and/or over the weekend.

Grades 6-12

1. Personal electronic (i.e., cells, tablets, earbuds, watches, etc.) devices may **NOT BE USED DURING CLASS TIME**. Personal electronic devices are to be TURNED OFF during class time and given to the teacher or placed in the student's locker or backpack.
2. Personal electronic devices can only be used **OUTSIDE OF CLASS TIME**.
3. No earbuds or headphones to be worn during class time unless approved by the teacher.
4. Violation of the Cell Phone/Electronic Device Policy will result in the following:

- A. 1st Offense:** Device is confiscated. The student's parent/guardian will need to pick up the device in the School Office at the end of the school day.
- B. 2nd Offense:** Device is confiscated and a \$10 storage fee is assessed to the device. The student's parent/guardian will need to pick up the device and disciplinary action may be discussed at this time.
- C. 3rd Offense:** Device is confiscated and the student no longer has cell phone/electronic device privileges for the school year. The student's parent/guardian will need to schedule a conference with the Dean of Students to retrieve the device. If the student continues to bring the device to school, possible consequences could include:
 - Detention (lunch or outside of school hours)
 - Saturday School (\$45 fee)
 - Suspension (in-house or at-home)
 - Expulsion

The content of each student's device is to be monitored by the PARENTS/GUARDIANS. BCS is not responsible for inappropriate content on a device, although reports of such may result in the confiscation of the said device and other disciplinary actions, with a subsequent conference with parents.

BCS ACCEPTABLE USE OF TECHNOLOGY

1. Purpose of Technology

Bethel Christian Schools (BCS) provides technology resources to its students mainly for educational purposes. These technology resources allow students and staff the ability to access various resources locally and globally. Expanding technologies will take students outside the confines of their classroom and provide opportunities to enhance their academic experience and retention. The goal of providing these resources is to promote our Five C's for Success by becoming Christ-centered, critical and creative thinkers, competent communicators, community contributors, and continual life-long learners.

We ask that every parent and student carefully read through **BCS' Acceptable Use of Technology Policy** to ensure proper care is taken when using BCS' computer devices and network.

2. The Opportunities and Risks of Technology Use

BCS believes that the educational value of limited access to information found on the internet and the research capabilities it provides outweighs the possibility that users may obtain or encounter material that is contrary to our educational goals. School-issued computers assigned to students come with the potential access to inappropriate material that is not academically based and does not coincide with BCS' educational goals. Due to the way information on networks is constantly changing, BCS cannot predict or control what users may or may not access.

Bethel Christian School does filter content according to the Children's Internet Protection Act (CIPA) on our school network. The school does use filtering software to limit users' internet access to materials that are obscene, pornographic, harmful to children, or otherwise inappropriate or disruptive to the educational process. *Additionally, BCS utilizes tools to filter content and notify staff of any age-based inappropriate content on school-issued devices.*

No technology is guaranteed to be error-free or totally dependable, nor is it safe when it is used irresponsibly. Among other matters, BCS is not liable or responsible for:

- A. Any information that may be lost, damaged, or unavailable due to technical, or other difficulties.
- B. The accuracy or suitability of any information that is retrieved through technology.
- C. Defamatory material.
- D. Breaches of confidentiality.
- E. The consequences that may come from failure to follow BCS' policy and procedures governing the use of technology.

3. Privileges and Responsibilities

The main purpose of BCS' internet network and the use of computer devices is to allow students to collect, analyze, synthesize, and communicate ideas and information from an enormous pool of available online resources. Students' use of BCS' computer devices and network are a privilege and may be subject to disciplinary actions if used inappropriately as stated in our school policy.

It remains the responsibility of our students to use technology as follows:

- A. Comply with copyright laws and software licensing agreements.
- B. Understand that email and network files are not private. Network administrators may review files and communications to maintain system integrity and monitor responsible student use.
- C. Respect the privacy of others.
- D. Be responsible at all times for the proper use of technology, including proper use of access privileges and not sharing any codes or passwords.
- E. Maintain the integrity of technological resources from potentially damaging messages, physical abuse, or viruses. Students may not use BCS' devices or network for improper use. These uses include, but are not limited to: any illegal purposes; any obscene or pornographic purposes, including, but not limited to, retrieving or viewing sexually explicit material; any discriminatory purposes, including, but limited to, harassment and bullying of individuals based on race, gender, religion, or disability; any purposes that would violate state, federal, or international law, including
 - Copyright laws
 - Cyberbullying laws
 - Sexting laws
- F. Any use of profanity, obscenity, or language that is offensive or threatening
- G. Reposting of forwarding personal communications without the author's prior consent
- H. Destruction, alteration, disfiguration, or unauthorized access of hardware, software, or firmware
- I. Obtaining financial gain or transacting business or commercial activities
- J. Plagiarizing (claiming another person's writing as your own)
- K. Disrupting the use of others to any process, program, or tool, including downloading or otherwise spreading computer viruses
- L. Engaging in any hacking of any kind, including but not limited to illegal or unauthorized access

- M. Soliciting or distributing information with the intent to incite violence, cause personal harm, damage a person's character, or to harass another individual

4. Internet Safety

Students must take steps to ensure their safety on the internet. This includes but is not limited to, the following rules:

- A. Students should never give out identifying information such as home address, school name, or telephone number to others on the internet or by email, including in a public message such as chat room or newsgroups. If a person is asked for such information, students must have approval of their parent or guardian before providing the information.
 - a. BCS restricts all public chat room forums that are not associated with the school.
- B. Students should not post inappropriate photographs of themselves or others on any social media platform or on websites that are available to the public.
- C. Students should not arrange a face-to-face meeting with someone they "meet" on the internet or by email without parent/guardian permission.
- D. Student Users should not respond to messages that are suggestive, obscene, belligerent, threatening, or make a student user feel uncomfortable. If a student receives such a message, he or she should provide a copy of the message to his or her parent or guardian immediately. If the message requires school action, the student's parent/guardian should provide a copy to the BCS Administration.

BCS recommends that parents/guardians read and follow the U.S. Department of Justice Guidelines for parents/guardians on internet safety located at:

<https://www.justice.gov/usao-ndal/project-safe-childhood/internet-safety-tips-parents>

5. Disciplinary Actions

Violations of this policy, or any administrative regulations and guidelines governing the use of technology may result in disciplinary action which may include loss of network access, loss of technology use, other appropriate disciplinary action, suspension, or expulsion. Violation of local, state, federal, or international law may subject students to prosecution by appropriate law enforcement authorities.

6. No Expectation of Privacy

Users should not expect that data stored on BCS' servers, devices, programs, or technological activity while on BCS internet will be private. BCS reserves the right to record technology use, monitor file server space and internet usage by users, and to examine users' files and materials as needed, and at its discretion. Users must recognize that there is no assurance of confidentiality with respect to access transmissions and files by persons outside, or from persons inside BCS.

7. Title and Ownership of Devices and Email Accounts

BCS maintains the legal title of all devices issued to students. Students are authorized to possess and use BCS technology as long as they comply with BCS Policy governing use. Technology devices are distributed as follows:

- A. Elementary School (K-5) – Students in elementary school use the ASUS Chromebook Flip C101 device. These devices have touchscreen capabilities and are shared from classroom to classroom. At times, teachers may have students use and operate desktop computers in the computer lab or classroom.
- B. Middle School (6-8) – Students in middle school are assigned a Dell 3100 or Lenovo 100e device which they will use throughout the school year. Teachers will provide digital textbooks via Google Classroom onto their device. At times, teachers may have students use and operate computers in the computer lab or classroom.
- C. High School (9-12) – Students in high school are assigned a Dell 3100 device which they will use throughout the school year. Teachers will provide digital textbooks via Google Classroom onto their device. At times, teachers may have students use and operate computers in the computer lab or classroom.
- D. Each student is assigned a Bethel Christian Schools email account to access their device. This is required by Google and is monitored by BCS. Elementary emails are limited and prohibit contact with any external domain. Students in middle and high school should check their email on a daily basis.

8. Insurance and Costs (Grades 6-12)

BCS has chosen Worth Ave. Group as the vendor of choice to insure school issued computer devices given to students. Insurance with Worth Ave. Group will protect their computer device against ACCIDENTAL DAMAGE, THEFT, FIRE, FLOOD, NATURAL DISASTERS, POWER SURGE, and VANDALISM. This insurance policy will provide full replacement cost coverage and will protect the item worldwide (on- and off-campus). The policy is transferable to a replacement unit.

- A. **Cost of Insurance** is the responsibility of the parent/guardian of the student prior to a device being issued. Coverage begins when the student receives their device and is terminated at the end of the school year or withdrawn from the school. See insurance application for pricing.
- B. **Intentional Damage** – BCS' insurance plan DOES NOT cover intentional damage. In the case of negligence or willful destruction of BCS technology, BCS will assess the *full replacement cost* of the device to the student's family.
 - a. In the event of intentional damage, students will be assigned an older model Chromebook that may not have the same capabilities as the model assigned at the beginning of the school year.
- C. **Filing a Claim** – Claims under our insurance policy must be submitted to the IT Department. A student may be asked to write an accurate detailed account of the incident and why a claim is being filed before a replacement device is issued.
- D. **Computer Chargers** – Lost or stolen chargers are not covered by the insurance policy and is the sole responsibility of the student. **All chargers MUST be obtained through the BCS IT Department. Lost or stolen chargers will result in a \$50 fee charged to the student's FACTS account.** Students may not loan their charger to another student as they are solely responsible for the return of their BCS assigned charger at the end of the school year.

9. Manufacturer Defects

Manufacturer defects of computer devices and chargers will be covered by the manufacturer's warranty and/or by BCS. Students experiencing these issues must report their problems to the School Office or IT Department. A replacement will be provided to a student at no additional cost.

10. Return Policy

Students are required to return their device to the School Office or the IT department for the following reasons:

- A. Misuse of BCS technology due to disciplinary action
- B. Withdrawn from enrollment at BCS
- C. The last day of school

Failure to return BCS technology one week after the applicable date will result in the parent or guardian being charged the full replacement cost of BCS technology via the student's FACTS account.

11. Transport and Use (Grades 6-12)

- A. Once BCS issues technology to a student, the student and his or her parent or guardian assumes responsibility for the technology at all times until it is returned. Students and their parents or guardians must take reasonable care to protect and properly use BCS technology.
- B. The student is the only authorized user of his or her assigned computer or other BCS technology. Students may not share or trade their computers with other individuals, including students, other than parents, guardians, or school officials. Failure to comply may result in disciplinary action.
- C. Students **MUST** bring their computers to school fully charged. Repeated failure to bring the computer to class daily may negatively impact the student's grades or result in disciplinary action.
- D. Computers must not be cleaned with cleaners such as Windex. The IT Department recommends alcohol wipes.
- E. Computers must not be marked with markers, stickers, or other similar materials. Students with markings, stickers, or other similar materials will be charged a fee of **\$25 PER MARKING** to their FACTS account.
- F. Computers must not be marked with permanent marks or carvings. Students who do not comply will be required to **replace their Chromebook at full replacement cost** charged to the student's FACTS account.
- G. BCS applied labels, asset tags, and other identifiers may not be removed from computers, chargers, or other BCS technology.
- H. Food and drink should not be used near computers or other BCS technology.
- I. Computer devices should not be left in automobiles, as they can be damaged in extreme heat or cold.

Bethel Christian Schools

Bullying Policy

Bethel Christian Schools defines bullying as a ***recurring unwanted, aggressive, intimidating or hostile display of actions creating an imbalance of power by an individual or group***. For instance, bullying occurs when an individual is subjected to treatment that is unwanted, aggressive, intimidating or hostile because of the individual's race, creed, color, national origin, physical disability, physical appearance, or gender.

Bethel Christian Schools is committed to providing a learning environment that is free from bullying in any form. The school will treat allegations of bullying as perpetuated by any student or employee seriously and will review and investigate such allegations in a prompt, confidential, and thorough manner.

An allegation of bullying shall not, in and of itself, create the presumption of wrongdoing. However, substantiated acts of bullying will result in disciplinary action up to and including dismissal. Students found to have filed false or frivolous charges will also be subject to disciplinary action up to and including dismissal.

It is important to note: there are behaviors and actions that are routinely misrepresentative of bullying. Therefore, it is imperative to refer back to the BCS definition of bullying to establish a cohesive understanding between school staff, students, and family. Certain behaviors may be irritating, frustrating, intimidating or annoying but do not constitute bullying unless it is recurring (2 or more times) and creates an imbalance of power.

Bullying can occur at any time during school or during school-related activities. Further, the school may take action and administer discipline for incidents that happen outside the school if such incidents create a significant disruption in the school or detriment to a student's school experience as determined by the BCS Administration.

1. Bullying includes, but is not limited to, any or all of the following:

- A. **VERBAL/VISUAL BULLYING** – derogatory or inappropriate comments or jokes; threatening words spoken to another person; inflammatory printed material, drawings and written words; threatening or inappropriate gestures or body positioning.
- B. **PHYSICAL BULLYING** – unwanted physical touching, contact, or assault; deliberate impeding, blocking, or any intimidating interference with normal movement or work; following or 'stalking.'
- C. **CYBERBULLYING** – sending, posting, or sharing negative, harmful, false, mean or malicious content about someone else through digital messages intended to harm and defame a person's character and/or reputation. Cyberbullying can occur through SMS, Text, and apps, or online in social media, forums, or gaming using a cell phone, computer or tablet.
Note: Cyberbullying can harm the online reputations of everyone involved – not just the person being bullied, but those doing the bullying or participating in it.

2. It is the responsibility of Bethel Christian Center/Schools to:

- A. Make all faculty, staff, students, and parents aware of this policy and the commitment of the school toward its strict enforcement.
 - B. Establish practices designed to create a school environment free from discrimination, intimidation, or harassment.
- 3.** It is the responsibility of the student to:
- A. Conduct himself/herself in a manner which contributes to a positive school environment.
 - B. If informed that he/she is perceived as engaging in discriminatory, intimidating, or unwelcome conduct, to discontinue that conduct immediately.
 - C. Report all incidents of bullying and/or harassment to the appropriate Dean of Students or other staff persons.

Disaster Drill Procedures

Classrooms will have doors closed and locked at ALL TIMES. If a classroom has more than one door, all doors must be closed and locked.

Teachers will have their cell phones available with the ringer ON at all times. This will help ensure effective communication regarding campus safety.

Currently, BCS staff utilizes the **Signal App** to communicate regarding campus announcements, safety directions, and other important information. Teachers will install the Signal App on their cell phones and join any applicable BCS groups to allow for effective communication.

Drills are arranged by a system of bell signals as indicated, with expected response as follows:

Fire Drill – one continuous bell signal. All activities are to cease and exits made immediately to the pre-designated area.

Earthquake Drill – series of short, intermittent bell signals lasting approximately 45-60 seconds. Teachers and students inside are to get under desks or tables until signal ends, and then follow teacher's instruction to exit with caution to pre-designated areas.

All students and teachers are to report to the assigned disaster assembly areas or follow administrative directions. Students are expected to walk, not run or push, and to be quiet so that they may listen to their teachers' instructions. A series of 3 shorter bell signals will tell the teachers and staff that they may take their students back to class.

Lockdowns/Lockouts/Active Shooter - Bethel Christian Schools places high priority on school safety for all who step foot on this campus. BCS Administration holds the responsibility of educating our staff members regarding a potential threat on our campus. BCS teachers and staff are educated on procedures regarding these emergencies and are prepared with protocols. Additionally, BCS may invite professional law enforcement or other trained personnel to further educate and train staff on the best practices to ensure safety for all students.

More details regarding **lockdowns** and **lockouts** is available [here](#).

- *Valedictorian* – the graduating student who has maintained the highest grade point average for the years spent in each school (*grades 6-8 or grades 9-12*). GPA will be calculated based upon courses that are part of the regular curriculum. Courses taken outside of regular high school (including online courses and college courses) are not included in the calculating process unless such a course was taken due to a scheduling conflict of *required* classes on the part of BCHS. In such a case, the outside course will be given the same 'weight' as the BCHS equivalent. In the event of a tie, the class ranking and/or the percentage points earned for each course for each year will be used to determine the Valedictorian.
- *Salutatorian* – the graduating student who has maintained the second-highest grade point average for the years spent in each school (*grades 6-8 or grades 9-12*). GPA will be calculated based upon courses that are part of the regular curriculum. In such a case, the outside course will be given the same 'weight' as the BCHS equivalent. In the event of a tie, the class ranking and/or the percentage points earned for each course for each year will be used to determine the Salutatorian.

Bethel Christian Schools

Financial Arrangements

Bethel Christian Schools is a ministry of **Bethel Christian Center, Inc.**, a non-profit corporation. The only sources of income for the furtherance of the school programs are tuition and gifts. *BCS accepts NO government funds.*

TUITION and FEES are established to provide the student with the finest Christian education at the lowest possible cost. Rates and procedures are subject to adjustment as deemed necessary by the School Board.

Bethel Christian Schools believes that it is a testimony to Christ that our accounts receivable and accounts payable be kept current. Good stewardship is paramount in facilitating the overall ministry of the school.

Registration and Tuition & Fees Schedule

Registration can be completed on our Bethel Christian Schools website under admissions and then clicking the appropriate grade level. For additional information, please contact the School Office or email info@bethelchristianschools.com.

The tuition rate is based upon ONE SCHOOL YEAR. For the convenience of our school families, BCS will divide the annual tuition into their choice of **10 equal monthly payments** or **12 equal monthly payments**. The amount of each payment has no relationship to the number of school days in each month.

Multiple-student (same household) discounts are determined in descending order beginning with the highest grade level.

Payments are rounded up to the nearest dollar. Parents/Guardians will have the choice to make their **tuition payment on the 5th or the 20th of each month during the Registration process**. An additional late fee of \$50 will be applied to each students' account if payment is three days late. When a payment is 30 days overdue, the account will be referred to the School Board for possible withdrawal of the student(s). Any accounts with outstanding balances may be referred to a third-party for collection.

There will be a service charge for checks paid to the school which are returned by the bank for lack of sufficient funds or other reasons.

In the event of an outstanding balance, whether or not resulting in or from a withdrawal, Diplomas and Reports Cards may be held until full payment has been received.

Transfer students will have their tuition prorated based upon the student's starting date and the amount of days left in the school year. Dividing this amount by the number of months in the selected payment plan **may** result in a slightly higher monthly tuition rate than what is listed in the current Tuition & Fees Schedule.

Withdrawn students will be charged a \$50.00 processing fee for early processing of grades, transcripts, and files to be forwarded to another school. The tuition account will be prorated to the day that the finance office receives notification of withdrawal to ensure that charges are made only for services rendered.

Textbooks, including consumable workbooks, are to be returned to the school upon withdrawal or at the end of the school year. A fee will be charged for unusual damage to or loss of a textbook.

Other fees such as for emergency lunches, etc., will be charged to each student's account and will appear on the next billing. **Detention fees** will be charged to the student's FACTS account.

Bethel Christian Schools

Extra-Curricular Programs

Athletic Department

Bethel Christian Schools provides opportunities for all eligible student-athletes in grades 3-12 to try out for participation in extracurricular sports programs. High School sports teams are members of the California Interscholastic Federation Southern Section (CIFSS).

1. All Middle School/High School student-athletes participating in sports are required to have an annual physical examination record on file.
2. Student-athletes must maintain at least a 2.0 grade point average AND have good behavior in order to remain eligible to participate on an athletic team. Student-athletes may be placed on probation, suspended or declared ineligible to participate as part of a team if they do not meet these expectations.
3. A fee will be charged for each student-athlete for each sport to cover the cost of league fees, coaches, referees, transportation, equipment, etc.,. Fee schedules are available in the School Office and on the school app. Fees are not based on play-time or amount of days a student-athlete participates in a particular sport. Fees are non-refundable as long as the student-athlete joins the team. Fees are refundable if the student-athlete does not make a team.
4. Additional guidelines may be issued for each sport. Student-athletes are subject to the rules and regulations as specified in the BCS and CIF Southern Section Handbooks.
5. Agreements that must be signed by parents may be issued for each sport, along with practice/game schedule.
6. School-owned uniforms are to be kept in good condition and returned to the school within 10 days of the end of the season or the parents/guardians may be charged a replacement and/or late fee.
7. Student-athletes must be present at school on game days in order to participate in the meet/game/activity. Student-athletes who leave school early (or show up to school late) for any reason other than an **excused absence/tardy** may not participate in that day's game.
8. Practices will be held before or after school on the Bethel campus or a nearby location. Parents may be asked to pick up students at the nearby location following practices. Student-athletes must be picked up within 15 minutes of the end of practice or will be signed into Extended Day Care for a fee.
9. Only team members, coaches, and managing/support staff may be in the practice areas. Parents shall not interfere with practices at any time.
10. Home Games may take place either on the Bethel campus or at a nearby location (which may require a departure from the school during school hours). A **fee per minute late** may be charged/billed to parents who do not pick up their student-athletes within 15 minutes of the end of a game, either at the Bethel campus or pre-publicized nearby location.
11. Away Games take place at the campus/location of the opposing team. If local, parents/guardians may be asked to pick up student-athletes from the other location (directions will be provided in the School Office). A **fee per minute late** may be charged/billed to parents who do not pick up their student-athletes within 15 minutes of the publicized end of a game at the game location or the publicized return time to the Bethel campus.

- 12.** All team members and support persons are to ride the team bus or school-sponsored private vehicles whenever leaving the campus as a team. Student-athletes over 18 may drive themselves with parental AND coach permission but may not have any other students in the vehicle. Student-athletes may only be transported to an off-campus sports event by the parent/guardian if required by the coach or if the coach gives special permission in cases of unchangeable circumstances.
- 13.** Parents/guardians may pick-up their student-athlete at an off-campus location after practice or game by signing out/or making verbal and visual contact with the coach. No student-athletes may leave with an unauthorized pick-up person.
- 14.** Rules for on-campus behavior apply at off-campus events.
- 15.** All student-athletes, coaches, parents/guardians, and others who attend Bethel games in support of the team are expected to show GOOD SPORTSMANSHIP at all times by cheering for and offering positive remarks for good game play. BAD SPORTSMANSHIP includes criticizing the coaches, athletes, officials, or opposing team constituents. Such behavior may result in removal from that game and/or denial to attend future games.
